

## Bill Aton

### Profile & Credentials

Mr. Aton is a twenty-five year veteran of the textile rental industry. He has earned increased responsibilities throughout his career. The most recent seventeen years of Mr. Aton's career have been in senior-level, managerial positions guiding both single location and multi-location (regional) operations. His most recent assignment was as Chief Operating Officer at a multi-location textile rental independent organization.

Mr. Aton has spent the majority of his career working with privately held companies. Within each organization, he has earned the respect of his peers, subordinates and superiors by leading teams and organizations to attaining unprecedented results and new levels of performance. His strengths in Sales, Service, Production, and Operations Management have allowed him to bring significant increased value to the shareholders of these organizations, including the clients of Performance Matters. Mr. Aton is a graduate of Purdue University with a degree in Management/Marketing
